

HEALING OUR HISTORY

The Challenge of the Treaty of Waitangi
Robert Consedine and Joanna Consedine

Updated Edition

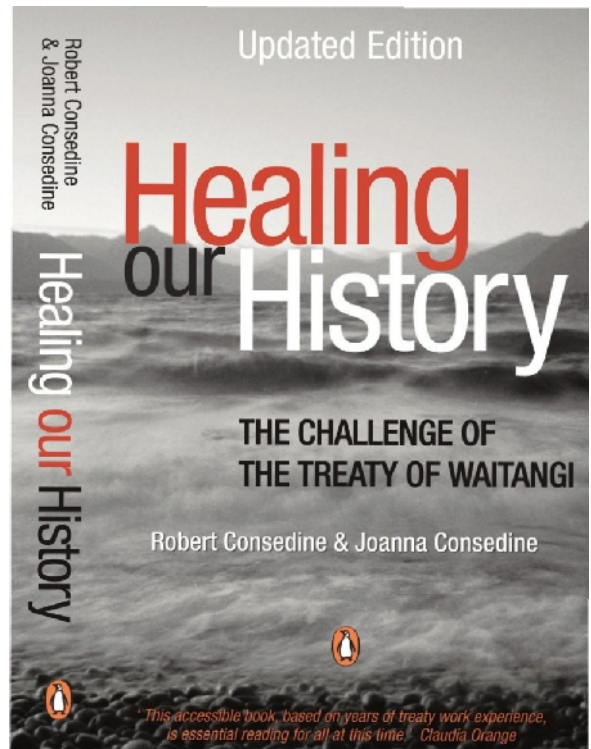

"This is one of those books New Zealand needs"
Michael King

"This accessible book, based on years of Treaty work experience, is essential reading for all at this time"
Claudia Orange

'Acknowledging our history, honouring all our stories, healing, forgiveness—a brilliant book'
Sir Paul Reeves

" _ [this] book about the Treaty of Waitangi will offer many New Zealanders their first true understanding of the topic _ .a false version of history was taught for generations _ .we were totally unaware as pakeha, of what happened _ it is a **wonderful** book. It is a very **good read** _ it is well written _ "

Prime Minister Helen Clark

The updated edition of this best-selling book, expands on the critical issues: race privilege; the fore-shore and seabed debate; Maori access to political power, the remarkable growth of the Maori economy, the developments in Maori education, the benefits of the Treaty settlement process. New Zealand and all New Zealanders have much to celebrate and many challenges ahead. The book also highlights the dramatic progress in Maori society from dispossessed indigenous peoples to a significant role in New Zealand society. The message of this book illustrates how each and every New Zealander can discover a new sense of personal and national identity, grounded in an authentic Treaty relationship.
